19/028

Playing Field

Cllr Bush has met with Ian Taylor from TDC to discuss the lack of a village field. The discussion covered the location and the possibility of having a low cost/low impact play area, a wildlife area and family spaces. Costings and funding will need to be looked into and a survey of residents obtained to find out what is really wanted. Another option mentioned funding to buy a piece of land. Cllr Bush has a formal meeting in the future to look at this in more details. The Clerk was asked to check public rights of way with ECC for the footpath on Bayview Crescent/Lodge Road

19/029

Playground

The quote for repairs were discussed and it was **RESOLVED** to have these carried out. Some railings have been damaged. One of these appears to have been kicked out resulting in the railing coming away at the top and being bent out of shape. Cllr Hunnaball is to look at having the railings removed to be repaired. Cllr Bush will contacted the Memorial Club and LOFC to have a meeting to see if they are willing to help towards the cost. The Clerk is to contact Playquip to see if they will hold the quote for another month and also look into S106 money.

BT Kiosk

Cllr Attrill had applied to adopt the BT Kiosk outside the old post office but as it is on private land needed the permission of the land owners, the application was then cancelled by BT. A letter asking for permission was sent to the land owners. Meanwhile BT had contacted them and offered the adoption to them which they have applied for. They have advised that once adopted they are willing to lease this to the Parish Council. It was **RESOLVED** that the Clerk would look into lease agreements and seek advice. This item is still ongoing.

19/032

Website

The Clerk attended a Website Accessibility course run by EALC. Various procedures that needed to be followed were discussed as was the best way to make websites user friendly especially for people with impaired vision. With some of the new regulations Parish Councils may need professional help with the updates.

19/033

Mobile phone for the Clerk

Cllr Attrill discussed whether the Clerk should have a mobile phone purely for Parish Council calls. This could then be passed on should the Clerk leave. The number of calls received/made are low so it was felt these this did not warrant a separate phone. It was **RESOLVED** not to have a separate mobile phone for the Clerk but this should be reviewed should anything change.

19/034

Report from District Cllr Bush

District Cllr Bush had already reported on the playing field and road signs in Minutes 19/027 and 19/028. A resident has contacted District Cllr Bush as the verge outside his house on Mayes Lane is on Council land and requires cutting by the Rangers, also part of his drive is on Council land and has broken up and requires fixing. County Cllr Erskine is looking into this and is still on going.

Litter picks continue to be successful, the next one is in Little Oakley. It was thought that these may need to be scaled back and go to every 2 months per Parish. Equipment is still being looked including signs warning drivers of litter pickers.

Wheelie bins are now being sent out to residents however there are concerns these are too small for fortnightly collections. This will be reviewed after a year. Recycling was discussed and it was felt that residents are still restricted by what they can and cannot recycle.

19/035

Report from County Cllr Erskine

County Cllr Erskine was unable to attend therefore no report was given

19/036
