

*Little Oakley Parish Council
Clerks Report
March 2021*

Trees on farmland

The work has been carried out but was organised by residents. The Parish Council had no prior knowledge of this.

Correspondence

Concerns have been raised regarding the blocking of the entrance to the footpath opposite the Memorial Club by vehicles working on the new housing site. This has been forwarded to Ramsey Parish Council.

Playground Gate

Playquip advised the gate at the play area is not one of their gates. They do not recognise this and suggest we may have to replace this unless we can find details of the supplier. To date I have been unable to find any details.
